

DO IT YOURSELF RHYME TIME: SPACE ADVENTURE

We're Flying

sung to: "The Farmer in the Dell"

We're flying to the moon, we're flying to the moon.

Blast off, away we go, we're flying to the moon.

We're going in a spacecraft, we're going in a spacecraft.

Blast off, away we go, we're going in a spacecraft.

We're landing on the moon, we're landing on the moon.

Blast off, away we go, we're landing on the moon.

We're collecting moon rocks, we're collecting moon rocks.

Blast off, away we go, we're collecting moon rocks.

We're flying back to Earth, we're flying back to Earth.

Blast off, away we go, we're flying back to Earth.

Climb Aboard the Spaceship!

Sung to: "Itsy Bitsy Spider"

Climb aboard the spaceship,
we're going to the moon.

Hurry and get ready,
we're going to blast off soon.

Put on your helmets
and buckle up real tight.

Here comes the countdown,
let's count with all our might.

10-9-8-7-6-5-4-3-2-1---BLAST OFF!!

Four Little Aliens

Four little aliens winking at me.
One blasts off, and then there were three!

Three little aliens with nothing to do.
One shot off, and then there were two!

Two little aliens afraid of the sun.
One shot off, and then there was one!

One little alien, being alone is no fun.
It shot off, and then there was none!
