3. Public Comments on the Budget & Appropriation Ordinance - none
4. Trustee/Staff Comments on the Budget & Appropriation Ordinance

Director Whitmer reminded the Board the B&A is the ordinance that allows the Library to spend the funds. She uses numbers higher than the actual working budget which allows the Library to spend funds up to the numbers listed in the Ordinance. This would allow the Library to spend a large donation to purchase additional equipment, materials, etc.

Trustee Stull asked why the B&A begins on July 1 but is not passed until September. Director Whitmer explained legally the Tentative B&A had to be passed by August 24 and the Public Hearing and adoption of the B&A Ordinance adopted by the last Tuesday in September. This timeline allows Director Whitmer additional time to incorporate information from the Levy and the previous fiscal year's financials into the B&A.
