Library Value Calculator

If each member of a family of four took advantage of 2 Library offerings per month they would receive

\$156.48 worth of Library services.

The yearly cost of purchasing those offerings would be **\$1,877.76.**

Library members saved **\$3.3 million** by choosing to borrow books and services from the library instead of purchasing.

Average Value of Library Service

Book	\$15
Download	\$12
Book on CD	\$25
