**SECOND DRAFT FOR REVIEW AND APPROVAL**  
BY LIBRARY BOARD OF TRUSTEES  
6/20/2018

prepared by Sandy Whitmer, Library Director

**Warrenville Public Library District**

### TABLE OF CONTENTS

**Working Budget Summary (page 1)**

Offers a summary of income and expenditures by broad categories with comparative information for previous three years.

**Line Item Working Budget (pages 2-11)**

Detailed line item budget with descriptive detail for each line item. Includes income and expenditure detail by account number, including fund extension.

**Fund Balance Projections (pages 12-13)**

Projected fund balances through Fiscal Year 2022.

### LIBRARY FUND ACCOUNTING

The Library has two funds for the majority of expenditures:

- The **Corporate Fund** is the Library's general operating fund.
- The **Building Maintenance Fund** is restricted to building and maintenance expenses including cleaning, landscaping, snow removal, janitorial supplies, and general upkeep of the facility and its HVAC and security systems.

Other funds include the **Special Reserve Fund**, the **Working Cash Fund** and the **Alba Lemos Gift Fund**.

The Fund Balance Projections on pages 12 & 13 demonstrate the Library's intent to maintain a target fund balance of at least 3 months' operating expenditures.

### STRATEGIC PRIORITIES

The following strategic priority action items are funded for Fiscal Year 2019:

**Priority #1 – Plan for the Future**

Strategic Planning Consultant (\$15,000)

**Priority #2 – Maintain a Safe, Efficient Facility**

LED retrofits (\$20,000, to be supplemented by a grant)  
Surveillance Cameras (\$7,000)

**Priority #3 – Communicate and Engage with the Community**

Additional staff hours for public services, marketing  
Website development (\$8,000)

### INCOME HIGHLIGHTS

The Library increased its last Tax Levy to capture the 2.1% Consumer Price Index increase permitted by the Property Tax Extension Limitation Law (PTELL). Paired with a small amount of new construction, we expect a 3.25% increase over last year's property tax income. Approximately \$6,800 will be diverted to TIFS #3 and #4 in this tax levy cycle.

Most other budgeted income lines remain flat as compared to last fiscal year. Reductions have been made to income for extended use fees, interest, and book sales.

### EXPENDITURE HIGHLIGHTS

**Employee Costs**

This draft of the budget proposes a maximum 3% merit increase for all eligible employees. (Actual merit increases will be reflected in the final budget proposal.) Additional staff hours have been allocated as follows:

- +8 hours per week for existing marketing specialist (was 16 hours per week)
- +2 hours per week for existing graphic designer (was 16 hours per week)
- +2 hours per week for existing IT assistant (was 16 hours per week)
- + 5.5 hours per week for existing Adult Services Librarian (was 32 hours; now full-time)
- +6 hours per week for existing member services associate (was 24 hours)
- +16 hours per week for new member services associate
- +16 hours per week for new youth services associate
- +16 hours per week for new adult services associate

The Library's IMRF rate will decrease from 12.97% to 11.02% in 2019.

This draft assumes a 10% increase in health insurance rates on 1/1/2019.

The Library will hire a consultant to benchmark positions and develop a pay grade and wage scale to be implemented in FY20.

**Furniture/Equipment Purchases**

No major furniture or equipment expenditures are included in this budget.

**Automation / Technology**

Only routine expenses including software licenses and upgrades, maintenance contracts and hardware replacements are included in this year's automation budgets.

### EXPENDITURE HIGHLIGHTS (cont'd)

**Professional Development**

The Library has not budgeted for any national conferences. Sufficient funds have been allocated to allow staff to participate in local opportunities.

**Library Materials**

The budgets for print materials have been adjusted to reflect prior year trends. The budget for downloadable media (Overdrive, Hoopla, Zinio) have increased based on prior year trends. The budget for online research databases (Internet subscriptions) has decreased because of decreasing usage.

**Programming & Publicity**

Overall, the proposed budget for programming and publicity is consistent with prior years.

**Building Maintenance & Utilities**

The Library expects costs for cleaning the facility to increase when the cleaning contract is re-bid.

With the exception of the installation of a new surveillance camera system, most expenses in this area reflect planned, routine maintenance.

Utility costs are expected to remain flat.

### 2016 DEBT CERTIFICATE REPAYMENT

In FY19, the Library is required to make principal & interest payments totaling \$169,900.
